

Love and Kindness is in the air

FoCo Cafe has served more than 86,800 beautiful lunches on a pay-what-you-can basis, making healthy meals and a welcoming space a reality for all members of our community and beyond!

As we move into the new year, having lunch at FoCo Cafe is a easy way to keep eating healthy well into the year. We always offer vegan, vegetarian, gluten free, and meat lover options, so **there is something for everyone!** This is also one of the best ways to support your only nonprofit restaurant in Northern Colorado!

Don't forget **there are countless ways to participate in community through FoCo Cafe.** Play music for the lunch crowd, fill a shift at the Cafe, help with cleaning and sorting donations, write grants and much more. If you can't stay to eat, we can send you along with a **Cafe Coin**, good for a meal at any time! You can also join our Sustainable Membership club if you aren't able to make it in for lunch as often as you would like. Membership starts as low at \$10 with over 120 current members. Learn more **here.**

Thank you for the continued support and making what FoCo Cafe is possible for the entire community! You all make the difference!

By Community, For Community.

Onward and Upward,

Mallory Garneau
Executive Director
