

## Spring has Sprung

April is a BIG month for the FoCo Cafe. We have two dinner fundraisers coming up to help support our mission.

**Help us sell out the Spring Soiree - [Purchase Your Tickets today!](#)**

**This Friday, April 12th**, the FoCo Cafe is hosting the *Spring Soiree* at Everyday Joe's. Small plates from nine local Old Town Restaurants, beer, wine, fresh pressed juice, and kombucha, live music by French Toast Swing and chances to win awesome local prizes like a rafting trip for two.

**On April 29th**, we are hosting the [Compass in the Community Dinner at the FoCo Cafe](#). This event is being put on by Morrison Community Living. The menu consists of a full vegan offering, with a meat option for the entree as well. Ticket can be bought [here](#). Its a great price for a delicious and healthy meal for a good cause!

Don't forget **there are countless ways to participate in community through FoCo Cafe**. Play music for the lunch crowd, fill a shift at the Cafe, help with cleaning and sorting donations, write grants and much more. If you can't stay to eat, we can send you along with a **Cafe Coin**, good for a meal at any time! You can also join our Sustainable Membership club if you aren't able to make it in for lunch as often as you would like. Membership starts as low at \$10 with over 120 current members. Learn more [here](#).

Thank you for the continued support and making what FoCo Cafe is possible for the entire community! You all make the difference!

By Community, For Community.

Onward and Upward,

Mallory Garneau  
Executive Director
